## Quality Aftermarket Water Pumps

Adrad was founded in 1985 and operates the largest radiator manufacturing facilities and cooling products distribution networks in Australia and New Zealand. The company is accredited to ISO9001:2015 and their manufacturing and product development staff have over 300 years of combined heat exchange experience.

Products are carefully sourced from the highest quality global original equipment and aftermarket manufacturers. Adrad's water pump range includes leading international brands such as Behr Hella, GMB, NPW and Valeo.

Japanese manufacturer, NPW, has been producing aftermarket water pumps for over 50 years and has earned a reputation for outstanding quality and reliability.

All water pumps are backed by Adrad's nationwide warranty.
