

KENWORTH

# K2000

Kenworth K2000-NATRAD-HDS\_0215

## Charge Air Cooler with Unsurpassed Durability

Featuring a high efficiency core and super tough cast alloy manifolds, Adrad's new aftermarket charge air cooler for the Kenworth K200 also includes Adrad's ADSEAL® technology. This unit matches or exceeds OE cooler performance and is an exact fit replacement.

ADSEAL® is a flexible tube to header joining system that accommodates core expansion/contraction through temperature cycling and also absorbs vibration. Adrad ADSEAL® charge air coolers give you optimum performance in all conditions with superior durability.
